All Captains and Players,

The Board of Directors of the Norwalk British Dart League would like to welcome you to the Winter 2010 season. The first meeting for both Monday and Wednesday night league will be held on **August 9th at 7:30 PM at the Eagles Club, Mott Ave., Norwalk**. The first two meetings will be combined for the Monday and Wednesday night leagues. The final meetings will be separate as we are trying to start the Wednesday night league one week before the Monday night league. The first and last meetings are mandatory for the captains and/or assistant captains as this is where important announcements for the league, rules of play and possible votes will occur. Any remaining trophies and payouts will be handed out at this meeting. Remember, if you don't turn in your book, you don't get your check or your payout. Please pass the word on to all you think might be interested in playing.

Third Meeting Wed League– captains books and final announcements		8/26/10
Third Meeting Monday League – captains books and final announcements	8/30/10	
League Play Begins	9/13/10	9/2/10

Last season the Monday night league had 13 teams participate which is low, even for a summer season. We would like to see this number go up and have sent flyers to all the bars that we are aware of having steel tip boards or have expressed an interest in sponsoring a team(s). If you know of someone interested in participating, the flyers and letters are available on the website or you can direct people to the website: www.norwalkdartleague.com.

The Wednesday night league had a very successful season with 9 teams participating which is the largest number of teams we have had in a several years. With the addition of one or two new teams we would split the league into two divisions based on ability levels, similar to Monday Night, which should help to alleviate the large disparity in the level of play. We encourage anyone who is interested to attend the meeting on August 9th, both captains and players.

For those of you that have not heard, Zoe Anyan, Scott Anyan's daughter, has an inoperable brain tumor. Our heartfelt best wishes and prayers go out to the Anyan family in this trying time. There are a number of fund raisers being planned to raise money for the family in this time of need. We will be informing you about these at the meetings and the info will also be posted on the website, so please check back frequently.

If you have any questions, please contact me at (203) 556-7456.

Sincerely,

Tom Sampson
